IBCM 2023
V International Baltic
Conference on Magnetism

The Organizing Committee of the
International Baltic Conference on Magnetism (IBCM 2023)
would like to express sincere appreciation to

Egor Drovorub

For the oral talk

**Simulation of Magnetic Properties of Different Types
of Spin-Valve Nanostructures**

Thank you for your contribution to the high scientific level of
the IBCM 2023. We look forward to further cooperation!

Assoc. Prof. Valeria Rodionova

Prof. Larissa Panina

Prof. Yuriy Raikher

Prof. Alexander Granovsky
